# **FOREIGN NOTES**

A considerable sensation has been

Of course there was no difficulty in doing this as far as those papers were concerned which Sir William had less dence. Great gaps between the boards for largeny. After Pelton was taken to behind him at Constantinople. But at Berlin the intervention of the German police had to be invoked, and there is no doubt that the widow was subjected to a most gross affront in having all her papers and her effects ransacked by officials of the English embassy at Berlin, and by those of the Berlin police at a moment when her husband's body was lying still urburied and she below her rail waiting to grasp the expected that for the window were gathered along the Winslow were gathered along the rail waiting to grasp the expected him go to the county hospital, but the starboard gun were an officer and four pellon had left him, and he refused their appeals.

As we were approaching the Winston to on the side allowed the freezing wind on the side allowed the freezing wind on the motionless form lying on some assistance be given by with police headquarters he begged that on the side allowed the freezing wind on the motionless form lying on some assistance be given by with police headquarters he begged that on the side allowed the freezing wind on the motionless form lying on some assistance be given by with police headquarters he begged that on the side allowed the freezing wind on the motionless form lying on some assistance be given by with police headquarters he begged that on the side allowed the freezing wind on the motionless form lying on some assistance be given by with her the trigic event which has given this engagement its sad promited as the motionless form lying on the motionless form lying to blow in on the motionless form lying to blow

Lord Salisbury subsequently endeav-ored to atone for this species of out-rage to which the widowed Ludy White had been subjected by causing a pay-ment to be made to her out of the secre; service fund at his disposal. But this money has long since been spent, and was any way altogether inadequate to wipe out the effects of the affront

that Lady White had undergone.

The book, therefore, which she is new about to publish on the subject of her husband's life will assuredly give little or no consideration to the finiings which Lord Salisbury or the Eng-

and that Melikoff was responsible for the murdored can's objectionable marriage to Princess Dolgorouki, the mother of his illegitimate children. Dictator Melikoff died a few years al'erward in the mother of his illegitimate children. Dictator is about 800 miles. From cut from a pocket in his vest during the trip over. The trip over it is uncersiond the losses, besides the section from Baikal to Chilai and from New Chang up to Kicin will be carefully like again a supplier and diamond Melikoff died a few years at erward in obscurity. His son's suicide is due to financial ruin, his once vast fortuce having been squandered at cards.

There is much concern in government circles in London, especially at court and at the foreign office, owing to the announcement that Lady White, widow of Sir William White, the stronger: British amusesador who has ever held office at Constantinople since the departure of Lord Strafford de Redciffe, known as "the great Elichee," is anout to publish a life of her husband. Lady White has been subject to very

cliffe, known as "the great Ekchee," is anout to publish a life of her husband.

Lady White has been subject to very walls of the English foreign effice, and is so full of resentance against the latter and court, that the book is likely to contain some unpleasant reading for Britons, all the more as she was initiated to most of the state secrets possessed by her husband.

Sir William, it may be remembered, died quite suddenly at a hotel at Berlin while on his way back from Constantinople to London with his wife on leave of absence.

Lord Salisbury, who was in office as the time as foreign minister, immediately gave directions for the seizure of an expectation of the property of the mattern and the prosperity of the state servers possure was the coroner's jury's very fail to be foreign minister. The man was identified, as Franz Schaltz, 51 years old, who had lived in the vicinity for years, sleeping in the subject to very walls of the wast of the state servers possure was the coroner's jury's very fail to be foreign children as frikutsk, will unquestionably p as a life to most of the state secrets possure was the coroner's jury's very fail to be fail to have the soldier had staggered to his feet the poleeman and court, that the book is likely to be also miles to New Chang and 200 to fore the state secrets possure was the coroner's jury's very fail to be fail to have the form exposure was the coroner's jury's very fail to be fail to have the form exposure was the coroner's jury's very fail to be failed whelly by the imperial governe.

Sir William, it may be remembered, and all his life in the subject to the station bouse, where his assailants. When the soldier had not effort the save ferred or to pursue the body of a man found dead yester.
